KEEPING YOU UP-TO-DATE ABOUT CHANGES TO SPORTS FIXTURES

We understand the importance of sharing any potential changes to weekend sports fixtures with you, as soon as we become aware of them. With this in mind, we will no longer be pointing you to the School's website as the first port of call, as we appreciate you will want to know about any changes immediately.

All information regarding changes to sports fixtures will be shared across our Twitter feed and the School app, providing you with real time information, as follows:

Twitter: Any changes to sports fixtures will be shared as soon as they are known via the School's Sports Twitter account, @SASHertsSport: <https://twitter.com/sashertssport> We recommend that you follow this account, so that our posts are shared directly with you into your Twitter feed.

St Albans School App: Once an update has been tweeted, it will automatically be shared on the School's app. If you have not already downloaded the app, search 'St Albans School' in your App Store and our app will appear, for you to download for free. Open the app and select 'Sports'. All tweets will be displayed in date order.

Should you have any questions, please contact marketing@stalbans.herts.sch.uk
