

Academic ‘clinics’

Please note that attendance at a clinic is voluntary, and cannot take precedence over a commitment to a School group, play, team, academic society or activity. Priority nights are as in the School Diary.

Not all clinics are in the same location each week. Please contact departments for venues in those cases.

There are some clinics, not listed below, for specific classes, about which individual teachers have given details.

Please approach the Head of Department regarding specific issues and difficulties.
