## Terms and Conditions 2018 – update summary

### **Section 2 – Acceptance and Deposit**

Further clarification on deposits and notice periods, including the circumstances under which deposits are, or are not, refundable.

### **Section 3 – School Fees, Extras and Payments**

G – Amendment to allow alternative methods of collection of fees.

L – Deletion of the deemed consent to share information.

### **Section 5 – School Regulations**

C – Clarification of the School's right to monitor use of IT.

### **Section 6 – Disciplinary Procedures**

D – Clarification of the rights to require the removal of a child from the School.

G – New clause on how the contracts is automatically terminated once a child is removed from the School and the final invoice is settled.

### **Section 7 – The School's Obligations**

E – Clarification of the wording on the consent for participation in contact sports.

### **Section 8 – the Parents' Obligations**

B – Clarification of a child's attendance at secular assemblies, Remembrance and Founders' day services held in the Abbey.

F – Clarification of the clause that the School is entitled to expect that parents have consulted each other with respect to decisions relating to the child, and that the School is entitled to treat any communication from the School to one parent as having been given to both parents.

### **Section 10 – Personal Information**

Considerable revision to this section to ensure that the School continues to be compliant with relevant Data Protection legislation, including the introduction of the General Data Protection Regulation in May 2018. In particular, this removes deemed consent and states how the School will use data within its legitimate interests.

### **Section 13 – Ending this Contract**

Clarification about the circumstances in which the contract comes to an end.

### **Section 15 – Communications**

B – Updated to reflect the introduction of the Parent Portal.
