Dear Parents

Timing of internal examinations

Welcome to the start of the school year for you and your sons and daughters! I am writing to give dates for the internal examinations this year. I hope that this will help you to plan for your family's year.

Parents of Fifth Form students should also be aware that, in addition to the mock week in November, many tests, including some mock papers, will be set shortly after the half term break next term, in late February and early March. Upper Sixth Form mocks take place shortly before the Spring half term break. First, Second and Third Form internal examinations are just before the Summer half term break. The Fourth and Lower Sixth Form internal examinations fall just after the Summer half term break.

<i>First Form examinations</i>	<i>Thursday 9 – Tuesday 14 May</i>
<i>Second Form examinations</i>	<i>Thursday 16 – Wednesday 22 May</i>
<i>Third Form examinations</i>	<i>Thursday 16 – Wednesday 22 May</i>
<i>Fourth Form examinations</i>	<i>Monday 10 – Friday 14 June</i>
<i>Fifth Form mock examinations</i>	<i>Monday 5 – Friday 9 November</i>
<i>Lower Sixth examinations</i>	<i>Monday 3 – Friday 7 June</i>
<i>Upper Sixth mock examinations</i>	<i>Monday 28 January– Friday 1 February</i>

It may be useful to remind those of you who have older children who attended the School in previous years that, with the move to linear A Levels, those in the Lower Sixth no longer have any study leave, other than for the single week of internal examinations.

A copy of this letter will be put onto the School website, in the 'Parents' section.

Yours sincerely

M. E. Davies

Mark Davies
