

## FAQs

### What is the process for securing a place?

- Once notification of acceptances have been received from the Registrar, proformas are issued asking if you require a space, route requested and stop to be used
- Acceptance Forms and Bus Regulations will be issued via the Parent Portal in June which must be signed and returned to secure a place. Forms not returned by the time indicated in the accompanying letter may result in all the spaces being allocated. You will then be added to the waiting list

### When is the bus payment due?

- Current daily charges as at \*2021-2022 are between £9.25 - £11.60, depending on the route. The daily cost will be shown in your Acceptance Form
- These are paid termly and are added to your fee bill. These must be paid prior to the start of term

### Can I have one-way travel?

- We do not have one-way travel charges or ad hoc use

### If I bring my child/children in some days, can I have a refund on days not travelled?

- Unfortunately we cannot offer refunds for days not travelled on the bus.

### How much notice is required to cancel my space?

- **One full term's notice is required.** If you wish to cancel a place for the Summer Term for example, then notice must be given **prior** to the start of the Spring Term. Deadline dates will be advised in an accompanying letter to your Acceptance Form.

### Can I use one bus inbound and a different one outbound?

- Only if space permits on the routes. Permission must be sought

### If my child wishes a friend to travel on the bus, how do I go about this?

- Permission must be sought on availability **24 hours prior to travel** and a temporary ticket issued by the Bursary Secretary.

### What happens if the bus is early at the stop?

- The bus will wait until the published time before departing

### What if I miss the bus?

- As a guide, it is advisable to arrive at the bus stop 5 minutes prior to departure. If you are late to the stop and the bus has already departed then you can catch the bus up at the next stop if feasible. If you are unable to do this, then it is the parental responsibility to ensure their child/children get to School.

### What if the bus is late arriving at the stop?

- On occasions the bus may arrive 10 - 15 minutes late at the stops, normally due to traffic. Your child/children must wait at the bus stop until it arrives.
- If the bus company is made aware that their bus is going to be delayed by a considerable amount of time through contact by the driver, then the Bursary Secretary will be advised by the bus company. The Bursary Secretary will then forward a text message to parents on that particular route advising them of the situation. The text messaging is carried out using the Parent Portal service. Details will be obtained from your returned Pupil Information Form

- Contact details for the bus companies will be contained in the Acceptance Form

### How do I know what time the bus will arrive at my stop for the 4:10 – 4:30 p.m. runs?

- As a guide I would calculate the pick-up time in the morning to School and add 10 minutes for traffic. Arrival time at School is generally 08:25.

### What if children misbehave on the bus?

- Parents are issued Regulations for signature (with the Acceptance Form) which their child/children must adhere to. The Second Master will be advised of any poor or dangerous behaviour and in serious instances the bus driver will stop the bus, take the name of the pupil(s) concerned and report them to the School. This may result in the pupil(s) concerned being suspended for a period of time from the bus and any second suspension will be permanent. CCTV footage is fitted to all the routes.
